**INSIDE INFORMATION  
AND  
PROFIT WARNING**

This announcement is made by Golden Resources Development International Limited (the “Company” and together with its subsidiaries, the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571, the Laws of Hong Kong) (the “SFO”).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group, it is expected that the Group may record a net loss of less than HK\$15,000,000 for the six months ended 30 September, 2021, as compared to a net profit after tax of HK\$30,565,000 for the corresponding period in 2020. Based on the information currently available, the Board considers that the loss for the six months ended 30 September, 2021 was mainly attributable to the net effect of (i) decrease in net unrealized gain on financial assets at fair value through profit or loss, with net unrealized gain of approximately HK\$5,000,000 for the six months ended 30 September, 2021 as compared to net unrealized gain of approximately HK\$25,162,000 for the corresponding period in 2020; (ii) impairment loss of approximately HK\$16,000,000 on right-of-use assets and property, plant and equipment of convenience store operation; (iii) adverse impact of COVID-19 pandemic on the Group’s core business results and (iv) gain of approximately HK\$24,000,000 on deemed acquisition of subsidiaries, arising from remeasurement of fair value of previously held equity interest in associates and deemed acquisition of additional equity interest, during the six months ended 30 September, 2021.

The Company is still in the process of finalizing the interim results for the six months ended 30 September, 2021. The information contained in this announcement is only a preliminary review by the Directors of the Group. Such information is not based on any figures or information which has been audited or reviewed by the Company’s auditors and may be subject to adjustments. The Company’s unaudited interim results for the six months ended 30 September, 2021 are expected to be announced by the end of November 2021.

**Shareholders and potential investors are therefore advised to exercise caution when dealing in the shares of the Company.**
